

I was disappointed to hear that LPFM stations could take priority over current FM translator service if the proposed rule changes are enacted. Our entire family listens to K-LOVE (88.3) at home, in the car – everywhere we go. K-LOVE's family-friendly programming is an asset to our community. K-LOVE supports wholesome values and has a positive and encouraging impact all over the nation. We value the service K-LOVE offers and hope that the FCC will preserve it.
